

Practitioner's Docket No. MP100-452P1RM

U.S.N. 10/060,714

**REMARKS**

The present amendment is being filed to respond to the Office Communication mailed February 15, 2005. In this Communication, it was noted that the amendment to the claims filed on December 6, 2004 did not comply with the requirements of 37 CFR 1.121(c). In particular, the Listing of Claims erroneously identified original claims as "previously presented."

In response, the Listing of Claims submitted herewith properly designates claims 1-31 as "Original." This corrected Listing of Claims is intended to accompany the Amendment and Response mailed December 6, 2004 to respond to the Restriction Requirement mailed October 5, 2004. Upon entry of the amendment, claims 1-31, 33-36 and 40-43 will be pending. Please refer to the remainder of that Response to review the remarks regarding the pending claims.

This paper, correcting and re-submitting a section of the Amendment and Response mailed December 6, 2004, is being filed timely within the one month period for response. No extensions of time are required. In the event any extensions of time are necessary, the undersigned hereby authorizes the requisite fees to be charged to Deposit Account No. 501668.

Entry of the remarks made herein is respectfully requested.
